Meet Carlos Ivan

Donna Draney

This month we will meet Carlos Ivan. Carlos Ivan is the oldest resident at Casa Hogar. He had just celebrated his 15th birthday (March 11) last month when we visited.

Carlos has an engaging smile and nurturing manner. When we visit Casa Hogar he is always the one to run and get us a cold drink or snack, which is always politely served with a napkin and impeccable manners.

As the eldest of the boys he has taken on a leadership role and enjoys some of the perks that come with that.

He lives at Casa Hogar with his younger brother and his sister lives at Casa Cuna Home for Girls in La Paz, a couple of hours away. Great efforts are made to see that the brothers and sisters of both homes have the opportunity to see each other a couple of times each month.

Carlos Ivan's favorite color is blue and his favorite food is beef which is a real treat when served at Casa Hogar since fish is so readily available. Strawberry ice cream is his favorite.

He loves to play soccer. He had a great time playing the soccer game organized last month with the Merrell's and Draney's as soccer teammates. He would love to be a professional soccer player when he grows up. He has been given the opportunity to try his hand at golf since the President of Casa Hogar is a marshal on one of the best courses in Cabo. He also enjoys dancing and the music of singer Gerardo Ortiz.

His favorite subject in school is civics but I think he mostly likes a young lady named Rosie as every time we have a craft project he puts her name on his project with a big heart.

Last month when we visited, Bob Draney offered to take a couple of the boys up in his airplane for a flight around Cabo. Since it was Carlos Ivan's birthday he was the lucky boy chosen (in the black T-shirt next to Bob) and he brought along his room mate Alan to corroborate his stories of this great adventure. As you can imagine this first airplane flight for these boys was a day that will never be forgotten.

The President's Gifts

The ever popular Prez Paul has certainly enjoyed the wonderful and unique gifts Sunrise Rotary members have brought back from their vacations this year! Also wonder where they get them? Do ya think Prez-Elect Kevin will continue the tradition?

The dapper past president, DB Merrell sure brought a little class to Sunrise Rotary on his stint leading the Third Thursday meeting. You other guys can take a lesson from him! Great meeting!

Got Beer?

President Elect Kevin Nicholson unleashed his plans for the upcoming 2010 year. WurstFest Chair person will be Geoff Baughman who can learn from the other Baughman Rotarian in the club. WurstFest is always the last weekend in September, this year it will be held September 25th. Rich Baughman who pushes the auction like it was an athletic event states, "I have found since WurstFest began in one form or another the key is the auction items, they can make you or break you!" I am sure he will hold our feet to the fire again this year and we will once again be a huge success.

"Service Above Self"

This home is in need of some landscaping so a couple of community minded Rotarians, concerned about not only the image of a prominent member of our community, but also concerned with keeping Boulder City the clean green community that we all love, posted a sign on the subjects property in hopes of motivating the prominent Rotarian into improving the appearance of his newly purchased property. We included the cell phone number of the new homeowner on the sign and encouraged residents to call and voice their concerns about the appearance of the neglected landscaping. You see, we believe in "SERVICE ABOVE SELF" for all Rotarians.
