Dan Stover Memorial Music Scholarship

Musically talented high school students each year participate in the Rotary District 5300 Dan Stover Memorial Music Scholarship program. Winners qualify for educational awards that enable them to further their studies at an accredited college, university, or music conservatory upon high school graduation. The worlds of education and music transected in the life of Dan Stover, a secondary education professional whose musical talents were shared with his family, his community, and certainly with Rotary, at both the local and District levels.

Dan Stover was an educator who always placed the student first, and his obvious respect for his students transformed the lives of countless young people. He shared his love of learning with the young, providing them with a positive role model for structuring their studies and their lives.

Dan Stover was an accomplished musician, both as a vocalist and an instrumentalist. He was as much at home in the finals of Barber Shop Quartet competition as he was at the keyboard of his famous "Rotary" organ, serenading Club meetings and District Conferences with his unique musical wizardry.

Dan Stover passed away shortly following the 1987 District Conference at which his friend and follow Alhambra Rotarian, Dr. Tim Keen Siu, became District Governor. Dan was noticeably ill at the conference, but he played his heart out for Dr. Tim and others, knowing that the show must go on.

The Rotary Club of Alhambra, in the year following Dan Stover's death, established a Music Scholarship Program and Competition in Dan's name. The program was proposed, organized, and championed by new Rotarian Christine Montan who, as Alhambra's first woman Rotarian, quickly recognized and appreciated the talent and effectiveness of Dan Stover as a Rotarian and as a person.

Under Rotarian Montan's leadership, the *Dan Stover Memorial Music Scholarship* "graduated" into a District program in the following year, and the rest is history. A whole generation of talented, young musicians have had the opportunity, in the name of Dan Stover, to compete against their peers, and earn funds to further their musical education.

The competition is limited to instrumentals, with no minimum time but a maximum time of 8 minutes. Two seniors qualify for first place at the Rotary Club level. They receive \$100 and the opportunity to advance to the regional level competition. As students advance in competition, the prize goes up considerably. Two runners up also receive cash prizes.

George R. Hensel Ethics Essay Contest

Rotary International District 5300 George R. Hensel Ethics Essay Contest is designed to challenge high school students to analyze ethical issues and concerns confronting them in today's complex world. Because our fellow Rotarian, businessman, and philanthropist, George R. Hensel, Ph.D., privately funds this contest, there are no entry fees to pay. Students submit essays to their local Rotary Clubs and may, at the club's discretion, present their essays at a club meeting. Winners at the club level advance to the District Level and four winners at that level are awarded monetary prizes. The top three runners up are awarded cash prizes of \$500 and the winner at the District Level receives \$3,000. The overall winning essay is presented at the District Conference.

Four-Way Test Speech Contest

Rotary International District 5300 hosts a Four-Way Test Speech Contest each year. This year the theme is *The Future of Rotary Is Up To You*. Rotary Clubs throughout the District invite students from local high schools to compete.

Students share perspectives on the Four-Way Test. Each speech must be based on Herb Taylor's famous statement on business ethics.

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"

Understanding, appreciating, and expressing the true meaning of the Four-Way Test is the most important aspect of each speech. Many times the students' thoughtful speeches unravel the complexities of Four-Way Tests in new and innovative ways. Local Clubs volunteer to host Group and Regional Level contests. The Four-Way Test finals are always a highlight of the District Conference. The first place prize is \$5000. The three runners-up will receive \$1500 each.
