I would like to thank Steve & Nancy for the Hope Streams Academy update. It is extremely rewarding to see the end result of all the hard work we do every year.

Once again, I would like to thank Alan for doing such a great job representing the Boulder City Sunrise Rotary on the recent Rotaplast Mission to Guatemala.

Robert and Lori Merrell returned from Cabo after delivering the blankets made by the club to some very happy and grateful boys. They got a chance to talk to the newest and youngest boy at Casa Hogar, Ulysses. He seems very happy. Javier (Casa Hogar's manager) said Ulysses' really missed his brother who was at another orphanage. His brother "Ever" is 8 years old. Javier was able to bring Ever over to Casa Hogar and now they are both doing well.

Here is a little bit about Ulysses:

Age 6

Favorite Color - Red and Blue

Favorite Super Hero - Spider Man

When He Grows up He Wants to be A Race Car Driver

Favorite Subject in School - Recess

Best Thing He Likes About Living At Casa Hogar - Playing outside on the grass and play area and the candy he gets from Javier's desk

Get to know John Milburn your President-Elect

This week I decided to continue with the “get to know your new Board of Director’s series.” This week we are showcasing John Milburn and Lee Hagen will be in the near future.

John was born in Wagga Wagga Australia and raised and educated in Newcastle which is on the East Coast North of Sydney. John started playing basketball at a young age and in 1961 came to the United States on a basketball scholarship at the University of Oregon (Go Ducks!). After graduating in 1965 John started teaching math and science at Boulder City High School (Go Eagles!). He also coached golf and basketball. He retired from Boulder City High School in 1993 and then taught Physics at The Meadows School for ten years. Since then John has been working as an estate investigator for the Public Administrator’s Office in Clark County. John is married to Christine Milburn. They have been married nineteen years and between them have four children and eight grand children. John has two brothers and a mother who still live in Australia. John said “as a long time spouse of a Rotarian and now being a Rotarian myself I am looking forward to the responsibility of being your incoming president for the 2011-2012 year. I am writing this article from beautiful Kauai where I am vacationing for three weeks resting for the upcoming challenge.

I would like to thank John and Christine for taking the time to get this information to me while on vacation. Apparently, I had Christine’s email address instead of John’s and even sent a message to her iphone. GGG!!!!
