Boulder City Sunrise Rotary

Service Above Self™ - He Profits Most Who Serves Best!

The Rotary Wheel February 4, 2010

Five new Paul Harris Fellows

Dr. Bob Merrell awarded five Sunrise Rotarians Paul Harris Fellowships last week. Pictured with President Paul Krumm are Bret Runion, Kent Farrell, Chief Tom Finn, Ron Clawson and Robert Martello.

Dr Bob has a fellowship drive underway, several years ago he set the date of 2011 to have 100% Paul Harris Club. With the induction of the 5 new members our club now has 21 active PHF and has given \$142,000 since the clubs inception. Bob says, "It's a record".

The R I foundation holds the money for 3 years to accrue interest then 100% goes to the designated project and the interest earned is used for the cost of Rotary administration.

Interact President receives Paul Harris

Sunrise Rotary honored Interact President Malorie Morrill with a Paul Harris Fellowship for her very aggressive club leadership.

Sunrise Rotarians attend BODTS

Sunrise members, Lee Hagen, Judi Bible, Goldie Begley, Alan Bowman, Kendra Wright and Toni Matei attended the District 5300 Board of Directors Training Seminar last weekend.

BODTS is not only for potential board members but is a good learning experience for future club involvement.

Several scattered bits of info!

- 1- Don't do committee work at board meetings!
- 2-As president and board members, we are not too busy to be efficient!
- 3-You joined Rotary as a volunteer, that means your hand is up to help!
- 4-Some clubs are doing away with attendance requirements.
- 5-Board has a fiduciary responsibility
- 6-Club should know what your financial reserve is and to follow the money.

7-Board members AND club members, "Do not go along to get along, its your club, ask questions and get answers. Everyone gets a voice in their organization."

8-not a raffle but an "opportunity drawing."

9-More on Robert's Rules.

10-More on club documents.

Sunrise attendees enjoyed a continental breakfast with District 5300 Governor, Tom Novotny, Past Governor, Gene Hernandez and 50 or so members from other clubs in the district.

Alan Bowman - "BODTS was an interesting and positive experience. The information was common sense but, nonetheless, needed to be articulated to us tyros. I continue to be amazed at the dedication and depth of knowledge that the Rotary presenters had."

Lee Hagen - "It was very informative but will need to go more than once to really get a clear picture of the formalities relating to being on the board. It will also help me in my role on the board of directors for Lend a Hand, so I'm glad I went."

Kendra Wright-"I feel if you can leave a training, such as BODTS, by learning at least one new thing, it was worth your time. BODTS was filled with valuable information that strengthened what I already new about serving on the board of directors as well as taught me many things I was unaware of in the past. If anyone desires to be on a board of directors, whether with Rotary or with another non-profit group, you should consider attending the BODTS session next time it is available to you".

Toni Mattei- "The BODTS training seminar broadens your understanding of Rotary International. What we do at the local level is very important but it is interesting to get a view of RI as a larger far reaching organization. The instructors are very generously sharing their professional and Rotary experiences with newer members."

Judi Bible-I enjoyed getting to know more about the workings of Rotary and meeting some of the officers and members of other clubs.
