Scott Hansen provided an excellent overview of the conceptual drawings associated with the Nevada Way Improvement Project.

**EVERY
ROTARIAN
EVERY
YEAR**

This week's Rotary Foundation Thought is about Avoidable Blindness projects.

Realizing the urgency of the problem, Rotary clubs and districts around the world have endeavored to develop Matching Grant projects designed to combat avoidable blindness and assist those suffering from vision loss. Thousands of cataract surgeries have been performed as a result of Matching Grants involving numerous countries including Mexico, South Africa, USA, Lebanon, India and Turkey. Rotary clubs in Uruguay and Argentina partnered to provide equipment for a library for the blind in Montevideo, Uruguay. And, as a result of a matching grant obtained by Rotary clubs in Nepal and the USA, funds were provided to offer vision screenings, glasses and corrective surgeries for children in Kathmandu, Nepal. Isn't it nice to know that Rotarians are restoring eyesight to so many?

For so many, life would be different if it weren't for Rotary. Create world understanding and peace with your contribution to The Rotary Foundation.

Our Senior All Night Party registration process was a huge success. Out of the 138 students eligible, we have received 120 registration forms.

More planning meetings and trip assembly with our Seniors will be scheduled in the coming months. It is going to be a great night!

In the very near future, Casa Hogar will have a few new signs. Thank you Donna!

Although I am unsure who won, I think Doug and Rich enjoyed all the Valentine Day photo captions. As promised, the \$20 raised will be forwarded to the Boulder Dam Museum.

Don't forget that the Casa Hogar blanket making party will be on February 27. All supplies are furnished. Just show up ready to make blankets.
