## From Presidents Advance to District Conference

President Paul is on the downhill side of his reign, but is picking up speed. He recently attended President's Advance, is readying for District Conference, Grad Night, then the debunking with a few smaller happenings in between. Presidents Advance is a chance to meet with the other presidents in District 5300, to exchange ideas and discuss programs that worked or did not work for the clubs. Also a chance to remind them who Sunrise Rotary is.

### Is Boulder City Sunrise Rotary in the house?

At last year's District Conference, Governor Gene Hernandez, shouted at the microphone, "Is Boulder City in the House?" and the crowd hollered back, "Yes, Boulder City is in the House".

Please mark your calendar NOW for June 10th thru 13th, as plans are being made and revealed for a really fun time at District Conference. Especially this year because it is being held close to home at Green Valley Ranch.

Conference is for ALL club members and their spouses, not just for club officers and committee chairs. The purpose of the conference is to celebrate the successes of President Paul, and the club with fellowship and fun with the other clubs of the district.

The boys had TOO MUCH FUN!

Kevin Nicholson practices for the big tournament!

Yes, Boulder City is in the house! The district expected great things from Sunrise Rotary and we met the challenge. The President selected these shirts WITHOUT having any margaritas before shopping!
