What a success!

Our 18th Annual BCHSRC Rodeo was such a wonderful event. Between the weather and the great help from our sponsors, we had a great weekend and everyone in attendance agreed that it was the best rodeo to date! We were able to host an early check-in dinner, as well as a Saturday evening dance and sale.

On behalf of the Rodeo Club, I want to extend a heart felt thank you for your commitment to making this event so successful. It was the vision of the Club to have a safe and entertaining rodeo for our members as well as members from other clubs around the state in a pleasant and comfortable environment. Your generous contribution helped make our vision a reality by helping to offset the cost of our publishing, advertisements, as well as prizes.

As we continue to grow as a club, please know that partnerships with our sponsors are vital to the success of this group, You are truly appreciated. Thanks Again!
Sincerely Katherine Lyon

On behalf of the Board of School Trustees, I would like to thank you for your contribution of \$1,000 for the Interact Club. Your generous gift will enhance the educational opportunities for students at Boulder City High School.

The members of the board recognize the importance of such contributions and greatly appreciate your continued support of the school district and its programs

Dr Linda Young, Clerk
CCSD Board of School Trustees

Well, I did not fall off the face of the earth (even though I saw you at the JCC luncheon). Rotary paid for so many health cards last year that it seems the need is not as large this year. However, just recently, you were able to help pay for an application fee of \$60 for a very gifted student wanting to attend UNLV. As with many families, they were also watching their pennies. Both the parents and son are extremely grateful for your donation. I kind of anticipate your money being used more this school year for situations such as these. Again, Thanks, and for helping our community be absolutely wonderful.

Dear Kevin, Members and Lori Merrell

The Boulder City Public Art Scape committee would like to thank you for the great Christmas tree and gifts. Your participation helped to make our auction a great success. The Sunrise Rotary has been faithful over the years to help keep our statues on the sidewalks of Boulder City. I personally can not express enough how much I have appreciated your help,

Our gross was more than last year, thanks to so many generous folks like you.

Sincerely,

Darlene Burk

Dear Boulder City Sunrise:

As Chairman of Rotary's "Operation Santa Clothes" program, I want to thank you for your donation and assistance in making this year's 15th annual event a complete success. All of us in Rotary were greatly appreciative. With your assistance, we were able to provide, shoes, socks and winter clothing to a record 310 children, who participated in the program.

After shopping at J.C. Penney's, the children were then transported to UNLV where they had an opportunity to play sports and interact with UNLV athletes before they were treated to a pizza lunch with guest speakers from UNLV, President Neal Smatresk and Women's Soccer Coach Jennifer Klein, before finishing up the morning, each child also received a soccer ball.

This year children participated from the following organizations: The Salvation Army, Boy's and Girl's Clubs, Boy's & Girl's Scouts. The YMCA, St Jude's Ranch, Big Brothers & Big Sisters and more.

Thanks once again for helping to make Christmas brighter and literally warmer for children in-need throughout the Las Vegas Valley.

The purpose of this letter is to thank you for your generous donation of \$100 in order to fill up our baskets for the Tricky-Tray fundraiser.

Thanks to you, our Boulder City Schools will all benefit. More importantly, the students will directly benefit from funds raised at the event! You are a true hero and friend to education. We appreciate you!

Dear Sunrise Rotary Members,

I would like to take this opportunity to thank you for your generous donation which enable our staff to attend the Association of Christian Schools international educators' convention in Anaheim, California on November 18-19. One of the most memorable speakers was Darrell Scott who is the father of Rachel Scott who was the first student to die in the shootings at Columbine High School. Hearing the story of his daughters' life was an inspiration to all of us. The many seminars, both personal and professional, provided us with many ideas to bring back to our classrooms.

Thank you again for making it possible for our students to attend this convention.

Sincerely, Marcia Harhay, Principal Grace Christian Academy
