# Boulder City Sunrise Rotary

*Service Above Self™ - He Profits Most Who Serves Best!*

**The Rotary Wheel** March 4, 2010

President Paul presents a check for \$1,250 to the Boulder City Hospital Foundation to support the April 9, Heart of the Community Gala to benefit the BC Hospital. The fundraising event will be held at Boulder Creek from 6 to 10 pm to honor Gard and Dr. Florence Jameson.

Third Thursday Past President Roger Hall had too much fun pretending he was in charge again! He planned an athletic event leading us into WurstFest planning. There were rules but we cheated a little.

The person must stand facing the audience with their feet shoulder width apart. Which ever arm is not holding the mug must be at the persons side. Grab the mug and hold it straight out in front of you with your elbow straight. Once your arm is straight you can not move your arm up or down. There is no leaning forward or back. Any violations of the above rules will result in disqualification. The last person standing is the winner.

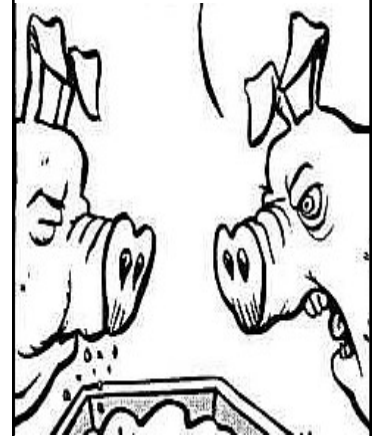

Roger has participated and won the event a total of three times at the Hofbrauhaus in Las Vegas against 27 men.

He says, "I guess my beer drinking during my college days in Germany finally paid off."

This was a lead up to start the WurstFest planning.

Most of the guys, Kevin Gillespie, Doug Scheppmann, Eric Estes, Rich Baughman and Kevin Nicholson all went down first. Greg Spinkelink whispered threats to runner up Goldie Begley to the effect of, "don't be out at night alone"! Knowing Harold did not know how to cook and feeling he needed her, Goldie retreated.

## The Polio Pig

"What the heck? I was perfectly happy living in the Sunrise Rotary storage shed. I hear President Paul is taking us out of retirement!"

"Oh, get over yourself! Quit being so pig headed! He needs us to help fight Polio again!"

### REMINDER

If you miss a meeting you can make up at the noon club at St Jude's or go to [www.rotaryEclubone.org](http://www.rotaryEclubone.org)

# **"The Future of Rotary is in Your Hands"**

President-elect John Kenny unveiled the theme, *The Future of Rotary Is in Your Hands*, at the International Assembly in 2009. The assembly is the annual training for incoming district governors.

"The future of Rotary will not be shaped at RI headquarters -it will be shaped in each and every Rotary club," Kenny said, "because it is for each of us -- as Rotarians -- to do what is necessary to keep Rotary strong."

Kenny acknowledged the foundation established by past Rotary leaders and laid the responsibility for building upon that success on every Rotarian.

"Each one of us is standing on the shoulders of generations of Rotarians past, and it is our responsibility to determine Rotary's future," Kenny said.

"The goals we set, whatever our action plan, it is in our hands to accomplish or not," said Kazeem Mustapha, governor-elect of District 9125 (Nigeria). "Everybody has to be involved."

Chuck Cicchella, governor-elect of District 6710 (Kentucky, USA), likes the theme's emphasis on the future. "I have always had a strong desire to nurture along young people. It's vital to us."

Kenny emphasized that every Rotary club is and must be autonomous.

"Everything begins and ends with our clubs," he said. "Our clubs can and do work together; they work through their own districts, in cooperation with other clubs and districts, and with the support of our Foundation.

"But at the end of the day, everything that we accomplish is done through the strength of our own clubs. And so each club must have autonomy to serve where and how it can serve best."

At the same time, Kenny highlighted the importance of the [RI Strategic Plan](#), adopted by the RI Board of Directors, as an essential tool in providing continuity.

"The plan is designed to strengthen and proclaim the core values of Rotary: service, fellowship, diversity, integrity, and leadership," Kenny said. The training sessions for incoming governors during the weeklong assembly are all tied to some component of the strategic plan, and a final group discussions will seek to tie all the pieces together and show the future district leaders how to take the strategic plan to the club level.

Kenny concluded his remarks by sharing a favorite saying from his homeland, Scotland: "We must look beyond our own parish pump."

"It means that we must look beyond our own home and our own community," Kenny said. "We must look beyond our own needs, and we must be aware that ours is only one community, of one country, of the many communities and countries in this world."

## **The Future of Rotary is in Your Hands**

With over 20 years of successful Rotary service, we are proud and confident of a future in which the next generation of Rotarians will bring hope to those in need and peace to a world full of conflict. We see ourselves as part of a great Rotary tradition, as links in a chain joining our future to our past. If that chain is to continue, every link in it must be strong. It is our responsibility, yours and mine, to forge solid links to Rotary's future. It is our responsibility to ensure that Sunrise Rotary will be stronger next year than it is now, and even stronger the year after that.

We have strong leadership in our President and the Board of Directors. We have many members who jump in to help even before asked. Rotarians are already working on the June 2nd Grad Night, the District Conference June 10-12 in Green Valley, the September 11th, Duck Race and the September 25th Wurstfest. They seem so far away but each event will be here in a minute! Plus blood drives, Relay for Life, Scholarships, debunking and a new year with President Elect Kevin Nicholson who has hit the ground running.

It is our responsibility to fulfill Rotary's promise of a polio free world today so that Rotary can take on other great challenges tomorrow. As Gandhi once told us, "The future depends on what we do in the present."

President Paul is working on our Polio Project now and it should unfold in the next few weeks.

At each board meeting decisions are made to contribute to individuals and organizations helping them to meet their goals and make dreams come true for our youth.

We are proud of Sunrise Rotary's history in Boulder City and its Future is in Our Hands!
