The US Navy came into port and asked the port Captain what charitable organization the ship's men could get involved with. Luckily for our boys; it was suggested they visit Casa Hogar.

The sailors came out to the orphanage and played soccer with the boys. During their visit, they also realized they could help improve the soccer field and returned with dozens of cans of paint and helped the boys paint the block walls and stands of the soccer field.

The boys were then taken out to the navy ship and treated to a private tour.

Another big event for the lucky orphans of Casa Hogar.

**EVERY  
ROTARIAN  
EVERY  
YEAR**

At the beginning of each Rotary year each club sets a goal for their contribution to the Rotary Foundation. It is not too late to review your club's current contributions and make a final effort with your members to meet that goal that was set almost a year ago.

The Rotary Foundation is supported solely by voluntary contributions from Rotarians and others who share our vision of a better world. The most efficient method to give to the Foundation is by using our secure website.

### Rotarians

By donating through Member Access, you'll receive recognition for your contribution and help us continue the humanitarian work of Rotarians.

### Forms

Global Contribution Form: Individual Rotarians, friends of Rotarians, and organizations can make a contribution to support our humanitarian work by filling out and sending us this form.

Paul Harris Fellows can be named at the time of the contribution or later using the "Recognition and Transfer Request Form".

Multiple Donor Form: Complete this form when submitting combined gifts from multiple donors.

TRF-DIRECT Form: This form should be utilized to make a recurring gift.

This is truly YOUR PARTY! The District Conference is held annually to celebrate District Rotarians for their generosity, hard work and commitment to community and worldwide projects. It is a celebration in honor of your club's accomplishments and the extraordinary Rotarians in your club who go above and beyond in service to others. Please bring your family and friends and join us in support of your club, your president, and your "Rotarian of the Year." Stand with them and be honored for your own commitment to the world's oldest and finest service organization.

During our recent All Night Party planning meeting, we discovered that we are still in need of a few volunteers. Knowing this and if you are interested, please contact Jill Lagan and let her know you are interested in helping with registration on June 9.

As far as the trip, I am extremely pleased with the number of seniors who have committed to the trip and I know fun will be had by all! I know the CA Welcome Committee will ready and I am planning on wearing my new set of ears.
